

Introducing PriorityAAccessSM.

New boarding privileges – and more – for our top customers.

Starting in October, American Airlines will offer AAdvantage[®] elite status members and other top customers more control, convenience and ease when they travel — PriorityAAccess privileges. From check-in through boarding, PriorityAAccess benefits will improve the airport experience, making every trip as hassle-free as possible.

Exclusive boarding lanes at every gate.

Soon to be available at American Airlines gates systemwide, PriorityAAccess lanes will offer a fast track for boarding. Customers with PriorityAAccess privileges can be among the first to board or can enjoy the convenience of boarding anytime via a dedicated boarding lane. Even if you arrive at the gate after general boarding has begun, you can bypass any lines via this special lane. Simply look for the PriorityAAccess sign in the gate area, and board at your leisure.

Eligibility designation on your boarding pass.

“PriorityAAccess” will be noted on your boarding pass, so there is no need to show a membership card or other documentation. Simply show your boarding pass, and you’re on your way!

Expedited check-in and security screening.

PriorityAAccess passengers will appreciate the exclusive security screening lanes (where available) and dedicated check-in areas at ticket counters. Look for the distinctive PriorityAAccess signs to speed your way through check-in and security.
